2nd Annual St. Michaels Classic Car Show in St. Michaels

- The Classic Motor Museum of St. Michaels

Marengo Street campus in St. Michaels.

The St. Michaels Classic

celebrates the rich heritage of automobiles produced by American and International manufacturers. The juried event will showcase classic automobiles owned by car enthusiasts who live in St. Michaels and the greater Eastern Shore.

Vehicles will be carefully selected and vetted to participate in the St. Michaels Classic. They will be organized into the following class categories: Prewar, European, American Muscle, Performance, 4x4, and Preservation.

"The event will showcase the incredible automobile excellence found on the Eastern Shore," according to Mike Iandolo, CMM Board Member. "We have some surprises planned that you will not want to miss."

Board President, Tad du Pont, agrees. "St. Michaels has long attracted boating enthusiasts to experience its rich maritime history. The Museum has now added another dimension to the town's attractions through its St. Michaels Classic Car Show series".

The event will be open to the public. More details will be posted on our website soon. For more information, please contact the museum at info@classicmotormuseum.org or call 410-745-8979.
