Inscription. The origins of the Independent Order of Odd Fellows can be traced to the creation of beneficial trade societies in England. Composed of craftsmen who practiced a variety of different or "odd" occupations, the purpose of these organizations was to support the needs of members and improve the communities in which they lived. The I.O.O.F. was formally established in this country in 1819. In 1834, the Odd Fellows of North America separated from the English Order. Some years later a group of Milton residents organized for the purpose of establishing a local lodge. On September 15, 1848, a charter was granted for Golden Rule Lodge #17. In 1853, members voted to buy a suitable piece of land on which to erect a Lodge Hall. The first meeting was held here on January 3, 1855. In later years the Odd Fellows' women's organization, the Rebekahs, also met here. Like many such facilities, this structure was designed to include space for business and community use on the first floor, with a lodge room above. From 1920 until 1980 this was the location of the town's library. Since its organization, Golden Rule Lodge #17 has continued to emphasize the principals of "Friendship, Love, and Truth" through its services to the citizens of Milton.

[St. Michaels, MD, May 1, 2024] - We are happy to announce the opening of our online registration for potential entrants in the 2024 St. Michaels Classic, to be held on September 21st at our Marengo Street campus. This special, all-day fundraising event is attracting interest from all over the Eastern Shore and beyond! If you wish to be considered for participation in this year's Classic, you will need to first register your car by completing our online application. Then you must send at least 2 photos of your car to our email address: info@classicmotormuseum.org.

We know that you love your classic car and would like the opportunity to see how it compares to other examples of interesting classic automobiles in our community. Now you can enjoy this friendly competition while participating in a fundraiser that benefits the non-profit Classic Motor Museum of St. Michaels.

As soon as the registration process closes, the selection committee will evaluate the quantity and quality of the submissions to select the final entrants and finalize the classes for this juried event. Upon selection, you will be requested to pay a \$150 application fee.

The 2024 St. Michaels Classic judges' panel will award an overall Best in Show trophy, as well as individual Best in Class trophies. The spectators will get their chance to vote for the People's Choice award. The day will be filled with gorgeous cars, music, food and fun. An awards ceremony will end the event on the 21st.

2024 Cruise for a Cause Beneficiaries

This year Wheels That Heal Car Club has selected two beneficiaries for the Cruise-for-a-Cause.

Amelia Cauffman is 4 years old and has a rare form of cancer called Clean Kidney Sarcoma which is even more rare in pediatrics ... less than 5%. Her cancer was detected during a standard 4-year wellness check. She went to Johns Hopkins for immediate surgery to remove her kidney and the tumor followed by many radiation treatments. She is now undergoing chemotherapy which will be for about 11 weeks. This requires travel to and from Baltimore 2-5 time a week. Mom is out of work temporarily to care for her daughters (Amelia has a twin sister). Dad is in and out of work as needed.

Tyrae Cuffee is a hero in our minds. Tyrae was at home when a neighbor came to ask his oldest stepdaughter to help corral her escaped pets. A short time later, Tyrae heard a commotion in his front yard. He ran outside to find the loose dogs in his yard and ready to attack his stepdaughter. He immediately got between the dogs and the child when they attacked him viciously. He was in the ICU with a breathing tube for over a week and needed four pints of blood. Healing has been a long, slow journey with him continuing to need wound care. The family's insurance is so far refusing to pay because of an issue between where Tyrae lives (Delaware) and where he was injured (Maryland). They need our help.

You helped us donate almost \$1,000,000 for our charities over the years. Unfortunately, due to many unforeseen circumstances; we were unable to have one in 2023. The good news is, there will be one this year, on November 8 and 9. Registration will be starting shortly. In conjunction with CW, we will be raffling off a 2024, C-8 Corvette Stingray; the drawing will be held on November 9. Tickets are only \$100 and only 1500 will be sold. The winner will receive the new Corvette and FSCC will be paying the federal tax. All proceeds go to our charities to help offset the money they did not receive in 2023 due to no CW.
